**FOUND!:** A very nice, women's clasp-style bracelet was found in the upper front parking lot of the church in a space close to the road a couple of weeks ago. If you think it's yours, please see or call Darla Mills (864-436-1071) to identify and claim!

## **The Wide Spectrum of Mothering *by Amy Young***

To those who gave birth this year to their first child — **we celebrate with you**

To those who lost a child this year — **we mourn with you**

To those who are in the trenches with little ones every day and wear the badge of food stain — **we appreciate you**

To those who experienced loss through miscarriage, failed adoptions, or running away — **we mourn with you**

To those who walk the hard path of infertility, fraught with pokes, prods, tears, and disappointment — **we walk with you. Forgive us when we say foolish things. We don't mean to make this harder than it is**

To those who are foster moms, mentor moms, and spiritual moms — **we need you**

To those who have warm and close relationships with your children — **we celebrate with you**

To those who have disappointment, heart ache, and distance with your children — **we sit with you**

To those who lost their mothers this year — **we grieve with you**

To those who experienced abuse at the hands of your own mother — **we acknowledge your experience**

To those who lived through driving tests, medical tests, and the overall testing of motherhood — **we are better for having you in our midst**

To those who have aborted children — **we remember them and you on this day**

To those who are single and long to be married and mothering your own children — **we mourn that life has not turned out the way you longed for it to be**

To those who stepparent — **we walk with you on these complex paths**

To those who envisioned lavishing love on grandchildren, yet that dream is not to be — **we grieve with you**

To those who will have emptier nests in the upcoming year — **we grieve and rejoice with you**

To those who placed children up for adoption — **we commend you for your selflessness and remember how you hold that child in your heart**

And to those who are pregnant with new life, both expected and surprising — **we anticipate with you**

This Mother's Day, we walk with you. Mothering is not for the faint of heart and we have real warriors in our midst. **We remember you!**
