ADVENT READING:

First Reader: The prophet Isaiah calls to us from the past to imagine the future when God's reign will be fully realized and recognized throughout creation. When that time comes, God "shall judge between the nations and shall arbitrate for many peoples; they shall beat their swords into plowshares and their spears into pruning hooks; nation shall not lift up sword against nation; neither shall they learn war any more" (Isaiah 2:4).

ALL: Today, we choose to live in hope, believing that the time of God's reign has come and is coming among us.

Second Reader: We light this candle of hope as a sign of our promise to follow the Light as we answer God's call to transform our hope into reality today and in the days to come.

Light the first candle of the Advent wreath.

Question of the Day:

"What is one way we, as a church, can 'walk in the light of the Lord' this week in a world that is often filled with darkness?"

Someone would love to hear from you! How about drop her a card/note!
